PSC

RACS PSC offers contractors working in the UK the ability to form their own limited company. Using the professional services and advice of 3rd party independent providers such as; Accountants, Insurers, Invoicing Company and Payroll Bureaus a contractor can rest assured all aspects of running a limited company are covered. In line with MSC legislation, RACS PSC can fully demonstrate that all control lies with the contractor as sole director and shareholder. Thus offering a solution for those individuals genuinely in business for themselves!

racs°
Collective

RACS Collective is one of the UK's leading Umbrella Company Service Providers. AEMC approved and audited both legally and financially by independent professionals. Giving UK contractors the 'peace-of-mind' that our practices achieve the highest standards throughout the industry. Relaying largely upon receipted items, RACS Collective had approved HMRC dispensations but insists on justification of spending. With a fixed daily administration cost, RACS Collective demonstrates fairness, cost effectiveness and utmost integrity towards compliance.

CIS

RACS CIS is an industry leading Construction Industry Scheme for contract workers, complying with legislation surrounding CIS without the hassle of running an in-house service. Direct liaison with HMRC regarding CIS % rates and set-up within 24 hours. Contractors form their own limited company and can opt to utilise the services of third party professional providers with whom we have negotiated preferential fees.
