

## LEADING A NEW ERA OF COMPLIANCE

RACS Group is actively involved in discussions with senior policy makers at HM Revenue & Customs to seek clarification of all new legislation. You might be surprised by the precise details emerging from our discussions, many of which have a direct bearing on agencies' new responsibilities.

To help agencies fully comply with all new legislation, RACS Group has launched an online Agency Portal which provides the following benefits:

- Reports formatted to HM Revenue & Customs guidelines
- View your list of contractors and associated information
- All your contracts and schedules stored securely online
- Download brochures, leaflets and other resources
- Instantly order from our range of free promotional goods

To arrange a free interactive demonstration please contact our Agency Care team who will issue you with a username and password.
